Summary

I'm a creative soul with a passion for helping others discover their potential. I thrive on finding innovative solutions to challenges.

My journey is one of continuous growth, I believe that the better we learn to collaborate, communicate and focus on what matters, the more we get done - and we'll have a fantastic time doing it.

Experience

Marketing Inventory Manager

Sept 2021-Present

Hudson Nissan of Charleston

Charleston, South Carolina

- Develop and maintain Brand promotion automations reflecting marketing schemes, increasing website traffic and sales by 30%.
- Coach and collaborate with management and others outside of the marketing team on processes, expectations, and requirements for products.
- Utilize Kanban style board to move units through reconditioning pipeline, ensuring checks and balances happen so that units can be front lined.
- Work with multiple stakeholders to achieve end-product for Promotion automations.
- Direct and manage vendors with work needed.
- Optimized processes to generate value, maximizing time-management and efficiency.
- Keep technical debt at a minimum to reduce impediments to quality and value of projects.
